Apulien, Italien, 2023

An intense, rich, and generous wine with notes of chocolate, coffee, and dark cherries. The grapes are grown in Italy's "heel," Puglia, and after harvest, they undergo the traditional appassimento method, where the grapes are dried before being pressed – just like in the production of Amarone.

- **Amabelli Sangiovese.....89/445:-**
Rubicone / Emilia-Romagna, Italien

Fruity on the nose with grape-typical notes of red cherries, violets, and plums. Medium-bodied with well-integrated tannins and a well-balanced acidity.
